Co-ordinates Key

To obtain a 5 digit BNG reference take the first digit of easting and the first digit of northing.

If you do this for the 4 corners:  
 top left = 35 = NY  
 top right = 45 = NZ  
 lower right = 44 = SE  
 lower left = 34 = SD  
 Example co-ordinates marked with: ○  
 = SD 80000 90000
